09 July 2020

Earlier this afternoon, Mr. Jamie Hudson, of Hudson Hirsell, confirmed the following in relation to the forthcoming housing development in Swinton.

- Erection of safety fencing & signs on the site will start tomorrow (Friday 10 July).
- An archaeological survey will commence on Monday 13 July.
- Clearing of topsoil & laying of initial foundations will be carried out late July/August.
- Construction of the first house(s) will begin in August/September.
- Completion of the first house(s) is scheduled for February/March 2021.
- Three of the Phase 1 houses have already been reserved.

We'd like to thank Jamie for being so good as to provide us with this "heads up" on such an important development for the village.

Des Eggie
Chairman
Swinton & Ladykirk Community Council
